Traditionally, today we started our day with breakfast, moments after that we set off on a journey to the beautiful ancient mountain city Amasya. It is a wonderful city with a lot of historical curiosities: castles, museums and mosques. We also visited a Miniature Park of Amasya. It is fantastic. After a day of sightseeing, we returned to the hotel. From which we went for a walk with students from Turkey and Macedonia. And of course, we all ended the day wonderfully together and unfortunately we had to say goodbye because in the morning the students from Macedonia had to leave Samsun and go back home.
